

We have business support grants to fund your premises

Are you unemployed, redundant or a recent graduate and thinking about starting a business?

Money is probably one of your biggest concerns!

You may be wondering if there are any grants available. The simple answer is 'Yes' and getting your hands on one of them is not as complicated as you might think.

The University of Derby is offering grants to help with the cost of office and studio space at their flagship incubator units. Grants are available now. Turn over for full details.

The iD Centre...

offers professional, furnished offices within a prestigious business park close to Derby city centre for **engineering and technology based businesses**. There are 32 offices in total ranging from 105 sq ft to 438 sq ft.

All have broadband internet access, free car parking, 24 hour access and security and fully equipped meeting and conference facilities with video conferencing. A comprehensive support programme is available.

Network House...

offers workspace for **new media and technology businesses**. There are 10 offices of 100 sq ft. The premises are secure, have 24 hour access, a meeting room, on-site parking and a range of business support services.

Banks' Mill...

is located within the creative heart of Derby, a few minutes walk from the city centre. The building is full of charm and character and offers both clean and dirty workspace for anyone in the **creative industry**. There are 38 studio spaces in total ranging in size from 65 sq ft to 315 sq ft.

There is also a communal exhibition area and fully equipped resource room. The studios are open from 5am - 11pm, seven days a week.

To apply...

To apply you must be unemployed, a recent graduate, have been made redundant or be at risk of redundancy. There is one form to fill in, followed by a selection interview if you meet our criteria. Then we can agree a moving in date. It's as simple as that.
Grants available from June 2009 to September 2010.

We aim to give you as much or as little support as you need.
We want your business to succeed!

The next thing you need to do: Choose one of the incubation centres from the information above and get in touch with either Alan Rutherford for the iD Centre, or Louise Jones for Banks' Mill and Network House.
